ASAP 3a letter - 8-2-17.docx

Mary Anne and Mark,

Please see Kim's edits in the attached. The letter needs to be crisp and concise and I think the attached revisions get us there. I have also asked Kim to review and edit the attachment, which I hope will be forthcoming soon.

Many thanks to you, Kim and Mark for all your work on this. The team approach has really strengthened our position and message delivery. Please take a look and let me know if you have any questions or concerns.

Hanh

**Subject:** My version of revised letter

Here's my shot at revising the 3a letter. I haven't looked at Mary Anne's version yet, which just came in. I will leave it to the program to reconcile the versions.
